This call out is for people with lived experience of mental health or a disability. To find out more please contact Jade at Connect & Do connectanddo@certitude.london.

The Connect and Do Programme offers workshops and activities for everyone. We believe in building local communities by bringing people together through shared interests and creating a space to connect, learn and develop.

Being a part of Certitude, we have a strong background in supporting people with learning disabilities, Autism and mental health support needs. This is a strength that we carry with us to make this an inclusive and holistic community programme.
